

To: All Unifor Members and Staff in the Ontario Region

For months now, our union has been responding to the threats of tariffs brought on by the government of the United States. Our union has been focused on defending and protecting Canadian jobs, as well as putting forward bold proposals for building a resilient, vibrant economy here in Ontario. We know that many of our members and their families are worried in these uncertain times.

We look forward to continuing this important conversation about what these tariffs mean for Canadian jobs, and how Unifor has – and will continue to – fight back.

Please join us for a townhall discussion on Thursday, April 17 at 3:00 pm ET. We look forward to an open conversation with local leadership and members in the Ontario region.
