

YOUR HEALTH we care

Our team of healthcare professionals and educators are here to help you make the most of your medical cannabis treatment. Here's what patients of Canabo Medical Clinic can expect.

Same day appointment

Same day consultation with a Healthcare Professional.

Education and ordering

Dedicated cannabis education support program and door to door same day delivery if applicable.

Patient support hotline

Call Centre team dedicated to answer any of your questions regarding your treatment.

20% OFF Cannabis Products for All Unifor Members

How we help patients

With an expedited referral process and knowledgeable caring staff, we help patients start their medical cannabis treatment quickly and confidently. Follow-up care is also provided for every patient.

Annual coverage

Your health insurance plan covers up to \$500 a year in CBD medical cannabis treatment.

You may be eligible for insurance coverage for the following conditions:

- Chronic Pain
- Sleep Issues
- Anxiety
- Epilepsy

Member treatment

Being a Unifor member you have access to a dedicated team that can help you make your cannabis journey easy and comfortable.

We want you to take control of your health, your way. Let us help you make the most of your medical cannabis journey.
